

PARISH LIFE LINE

*---Bear one another's burdens,
and in this way you will fulfill the law of Christ--*

Galatians 6:2

For over 40 years, the Parish Life Line has been an ongoing emergency outreach service available to all members of St. Luke's Parish. This service has proved very successful and useful in helping us serve each other. We have called out when we had a need; and we have extended our hands to each other in Christian love.

All calls for assistance go through the parish office **(908-234-0002)**. Area chairmen are then notified, and they contact another parishioner to help. Most needs are such that volunteers may be called upon only a few times during the year. We all are benefactors of this service...those who receive help and those who give help. Please consider for which of the below-listed areas of ministry you would be able to volunteer.

Please take a moment to fill out this form so that we can expand the Life Line and better support each other. Above all, we urge you to call us at 908-234-0002 should an emergency need arise.

Name _____

Address _____

Phone _____ Business _____

Email _____
